The Meredith family lived in a small community. As the economy was in decline, some people in the town had lost their jobs. Many of their families were struggling to make ends meet. People were trying to help each other meet the challenges.

Mrs. Meredith was a most kind and thoughtful woman. She spent a great deal of time visiting the poor. She knew they had problems, and they needed all kinds of help. When she had time, she would bring food and medicine to them.

One morning she told her children about a family she had visited the day before. There was a man sick in bed, his wife, who took care of him and could not go out to work, and their little boy. The little boy - his name was Bernard - had interested her very much.

"I wish you could see him," she said to her own children, John, Harry, and Clara. "He is such a help to his mother. He wants very much to earn some money, but I don't see what he can do."

After their mother left the room, the children sat thinking about Bernard. "I wish we could help him to earn money," said Clara. "His family is suffering so much."

"So do I," said Harry. "We really should do something to assist them."

For some moments, John said nothing, but, suddenly, he sprang to his feet and cried, "I have a great idea! I have a solution that we can all help accomplish (完成)."

The other children also jumped up all attention. When John had an idea, it was sure to be a good one. "I tell you what we can do," said John. "You know that big box of corn Uncle John sent us? Well, we can make popcorn (爆米花), and put it into paper bags, and Bernard can take it around to the houses and sell it."

范文：

When Mrs. Meredith heard of John's idea, she thought it was a good one, too. She immediately set about planning how to turn the idea into reality. The family gathered around the table, discussing the details of their plan. They decided to spend the afternoon popping corn and preparing it for sale. Mrs. Meredith also suggested that they make some flyers to help Bernard advertise his new business.

With everything ready, Bernard started out on his new business. Armed with a basket full of paper bags of popcorn and flyers in hand, he walked from door to door, introducing himself and his product. The neighbors, touched by his determination and the Meredith family's kindness, were more than happy to support him. Bernard's sales were better than expected, and he returned home that evening with a sense of accomplishment and a smile on his face. The Meredith family had not only helped Bernard earn money but also taught him the value of hard work and community support.

当梅雷迪思太太听说约翰的想法时，她也认为这是个好主意。她立刻开始策划如何将这个想法变为现实。一家人围坐在桌旁，讨论计划的细节。他们决定花一下午的时间爆玉米花，并准备出售。梅雷迪思太太还建议他们制作一些传单来帮助伯纳德宣传他的新生意。

一切准备就绪后，伯纳德开始了他的新生意。他提着一篮子装满纸袋的爆米花，手里拿着传单，一家家地敲门，介绍自己和他的产品。邻居们被他的决心以及梅雷迪思家庭的善良所感动，非常乐意支持他。伯纳德的销售情况比预期的要好，那天晚上他带着成就感和一个微笑回到了家。梅雷迪思家庭不仅帮助伯纳德赚到了钱，还教会了他努力工作和社区支持的价值。
