2025年6月四级作文范文带翻译13：关于大学生做兼职

The phenomenon of college students engaging in part-time jobs has become increasingly prevalent. Such activities bring about both benefits and drawbacks. On the one hand, part-time jobs can foster students' sense of responsibility and improve their communication skills. They can also alleviate financial burdens for some students. On the other hand, excessive commitment to part-time work may lead to a lack of focus on studies, potentially affecting academic performance.

Personally, I believe that part-time jobs can be beneficial if managed properly. Students should allocate their time and energy wisely, ensuring that their part-time work does not interfere with their studies. Only by maintaining a balance between work and study can they truly reap the rewards of part-time employment.

大学生参与兼职工作的现象越来越普遍。这样的活动带来了既有好处也有坏处。一方面，兼职工作可以培养学生的责任感并提高他们的沟通技能。它们还可以为一些学生减轻经济负担。另一方面，过度投入兼职工作可能会导致对学习的关注不足，可能会影响学业表现。

我个人认为，如果管理得当，兼职工作可以带来益处。学生应该明智地分配他们的时间和精力，确保兼职工作不会干扰他们的学习。只有保持工作与学习的平衡，他们才能真正从兼职工作中获得回报。
